

WHAT'S HAPPENING?

November 2005

2006 Conference

You can look to our usual month – September for this Conference. It is proposed that the theme of next year's Conference will be Risk Management. The usual updates on regulatory changes will be included for your continuing professional development!

WorkCover Seminars and Web Site - Update

Members have been promoting AIDGC to over 800 attendees at the WorkCover information seminars in NSW, at which almost 300 DVDs have been distributed. A further 200 AIDGC DVDs have been provided via our Web Site. Collectively, almost 500 new targeted contacts have been added to our database. Special thank you to Karen Page for conceiving and delivering a most successful promotional campaign.

Safety is No Accident

Hazards of Nitrogen Asphyxiation – Safety Bulletin.

Queensland Update

Peta Lywood, with the assistance of Janelle Adrain and Steve Rutledge, has organized a seminar for Queensland dangerous goods consultants on the use of forklifts (AS1940) in hazardous areas. This is a contentious issue in Queensland. Peta has quite a number of speakers organized, including Toyota Material Handling and Chess. Toyota has offered their premises.

Flammable Liquids – A Burning Question
